Sir:

Applicants express appreciation for the courtesies extended by Examiner Tentoni during an October 23, 2007 telephone interview with Applicants' representative Arnold Turk. During the telephone call, Applicants representative noted that JP 2002-115004 had been crossed through on the initialed Forms PTO-1449 attached to the March 3, 2006 Office Action despite the fact that the document had been utilized in rejections in the same Office Action.

The Examiner reviewed the file and indicated that he would forward a Form PTO-892 listing this Japanese document so that the document will appear on the face of the issued patent.

Authorization is hereby provided to charge any fee required for consideration or entry of this paper to Deposit Account No. 19-0089.

Should the Examiner have any questions regarding this application, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,
